How to find us...

Little Meadow is situated between Ilfracombe and Combe Martin. Leave the M5 at Junction 27, take A361 towards Barnstaple. Just past the South Molton turn off, turn right to Allercross roundabout (signposted Blackmoor Gate, Combe Martin). Drive through Combe Martin and continue past Watermouth Castle. We are situated approximately 500 yards past the castle on the left. This journey will take you approximately 1 hour from the M5 (junction 27). It is strongly requested that all incoming caravans approach Little Meadow from Ilfracombe direction driving East to avoid sharp turn in. If approaching from Combe Martin, pass Little Meadow entrance and go on to lay-by approximately 1/4 mile further on, turn around and come back to approach entrance from Ilfracombe direction.
